Lennox Basic and Extended Limited Warranty for Residential Applications

This Certificate provides you with important information about your equipment ("Equipment"). Please note that the information below pertains only to Equipment that is used in a residential application. If your Equipment is used in a commercial application, please visit www.Lennox.com/WarrantyYourWay to review any applicable warranty's terms and conditions.

Our records reflect that you have registered the Equipment shown on this Certificate. If any of the information above is incorrect, or if you registered Equipment that is not shown above, please immediately contact Lennox at product.registration@lennoxind.com or 1-800-9-LENNOX to ensure that your Equipment is properly registered. Registering your Equipment does not guarantee that either the Basic Limited Warranty or the applicable Extended Limited Warranty (if any) will apply. If the registered Equipment or any warranty claim associated therewith does not meet all the applicable warranty's terms and conditions (the "Terms"), warranty coverage will not apply.

Eligible Equipment comes with a Basic Limited Warranty and the opportunity to receive the applicable Extended Limited Warranty, if any, free of charge (the Basic Limited Warranty and Extended Limited Warranty are the "Limited Warranties"). You can review the Limited Warranties' Terms at www.Lennox.com/WarrantyYourWay, by calling 1-800-9-LENNOX to receive a copy by mail. **Lennox strongly recommends that you carefully review the Limited Warranties' Terms, which include, but are not limited to, coverage exclusions, repair and maintenance requirements, an arbitration clause, and a class action waiver.** Failure to comply with the Limited Warranties' Terms will result in the denial of a claim.

If you purchased your equipment outside of California, Quebec, or any other jurisdiction that prohibits registration requirements to effectuate warranties, you must have registered your equipment at www.WarrantyYourWay.com within sixty (60) days of installation (for existing homes) or closing date (for new construction) for any applicable Extended Limited Warranty to apply. If you did not register your Equipment within that time period, your Equipment will be governed only by the Basic Limited Warranty.

PURCHASERS IN CALIFORNIA, QUEBEC, AND ANY OTHER JURISDICTION THAT PROHIBITS REGISTRATION REQUIREMENTS TO EFFECTUATE WARRANTIES (1) HAVE NO REGISTRATION REQUIREMENT AND AUTOMATICALLY RECEIVED BOTH THE BASIC LIMITED WARRANTY AND THE DEFAULT EXTENDED LIMITED WARRANTY APPLICABLE TO YOUR EQUIPMENT (IF ANY) AND (2) THE FAILURE TO REGISTER YOUR EQUIPMENT DOES NOT DIMINISH YOUR LIMITED WARRANTY COVERAGE.

YOU DO NOT HAVE THE RIGHT TO CHANGE THE SELECTED COVERAGE.

For more information, please visit www.Lennox.com/WarrantyYourWay.
